

Beryl Apartment Courchevel 1850, France

What we love...

We love the exclusive Spa Bellefontaine in the Grandes Alpes Hotel with an indoor swimming pool, sauna and Hammam and hair salon.

This cosy, classy apartment is part of the Grandes Alpes Hotel, one of the oldest and most prestigious boutique hotels in the area. So, unlike other luxury ski apartment in Courchevel 1850, it offers all the facilities of a top hotel as well as the privacy of your own space. Its ski-in/ski-out location, just behind the lifts and the shops and bars of Courchevel, makes it super convenient, and at 160m² it offers plenty of room for everyone to spread out.

The welcoming wood-clad sitting room, with furnishings in soft, neutral shades, is a relaxing spot in which to enjoy afternoon tea in front of the fire once you're back from the day's skiing. If you feel in need of a little pampering, you can pop over to the hotel's spa, or enjoy a

massage in the privacy of your own four walls – the master bedroom has a space that's ideal as a massage area.

Discreet and experienced staff are always on hand, providing a very exclusive service including access to a helicopter and limousine as well as making any ski, entertainment or travel arrangements for you. Your designated butler will ensure you never have to lift a finger.

In the evenings, if you aren't hitting the town, gather in the intimate dining area and enjoy a fabulous meal, cooked by your private chef in the apartment's professional kitchen as the fire dances in the grate and snow falls outside. If hunkering down were an Olympic event, they'd hold it here!
