

Apartment Les Sorbiers Val d'Isère, France

What we love...

We love the cosy TV snug area, the perfect place to relax with a mug of hot chocolate after a day on the slopes.

With chic boutiques and Michelin-starred restaurants right on the doorstep, Les Sorbiers is a fabulously stylish luxury ski chalet, perfect for parties wanting a private retreat close to the heart of Val d'Isère yet within striking distance of the pistes.

Step into the open-plan living area and you'll be met with contemporary alpine charm, with wooden beams and stone walls, and plentiful sofas piled high with cushions. This is the perfect place for lounging by the fire with a mug of something hot and sweet after a long day on the Val d'Isère slopes.

Take the winding open-tread staircase which leads to an impressive upper level, with its games area and TV snug room which converts into a cosy children's bedroom – the perfect sleepover den. Here too you'll find four of the apartment's luxurious bedrooms, each with beautiful bathrooms stocked with luxury bath products.

As you round off each perfect day with a soak in the outdoor hot tub on your own private terrace beneath the stars, we think you'll agree that Les Sorbiers has all the ingredients for the perfect luxury ski holiday.
