

## Chalet 685 Lech, Austria

### What we love...

We love the laid-back terrace and mountain views - the ideal spot for stargazing over a nightcap.

One of the most exclusive ski areas in the world demands a property that is super stylish and this luxury ski chalet in Lech does not disappoint.

A shrine to contemporary cool, the property will appeal to design fans, with its clean lines, statement furniture and zingy colour palette. The communal living area, with boxy sofas and a fabulous woodburning stove to gather around in the evenings are fun, welcoming spaces in which to catch up with friends and family. In the dining area, a refectory-style table is an ideal backdrop to long, relaxed meals shared with friends.

A sauna, with adjacent relaxation area, means you can ease aching limbs after a morning on the slopes, and indeed there's plenty of room for everyone to relax.

Everything here has been conceived to ensure you can truly relax. Daily housekeeping means all the chores are taken care of, yet you can still enjoy a break that gives you total privacy and quiet. Out on the terrace of an evening, it's just you, a glass of something chilled and nothing between you and the mountains but lashings of fresh, snowy air.
