

## Chalet Abruzzes Courchevel 1850, France

### What we love...

The chalet-within-a-hotel set up of Chalet Abruzzes gives it that extra level of luxe that we just love. It is also fabulous to be able to ski-in/ski-out of this ultra-stylish alpine pad.

Not only is Chalet Abruzzes a private ultra luxury ski chalet with its own team of staff, but it is also run by the super swish Le K2 Palace Hotel and has access to the hotel facilities. Sitting in a prime 'ski-in/ski-out' position beside the slopes of Courchevel 1850, Chalet Abruzzes is one of several private chalets grouped around Le K2, providing a winning combination of excellent service and self-contained exclusivity.

Let your butler show you around the spacious light-filled Chalet Abruzzes and its 660sqm of sumptuous luxury. Entering on the top floor, the first thing you see is the stunning open plan living area. Two separate lounges mean that some can watch a film on the big screen whilst others can curl up with a good book.

Your experienced private chef is master of the kitchen, and the housekeeper cleans daily, so all that's left for you to do is relax and feel utterly cosseted.

Take the elevator down past the bedroom level to the pleasure dome in the basement. The more time you spend out on the pistes of Les Trois Vallees, the less time you spend here in your private pool area. And if you get tired of splashing around in the infinity pool with its waterfalls, and relaxing in the steam room and poolside lounge, you can always head over to the fabulous spa of Le K2 hotel.

Whatever you need, from ski passes to restaurant bookings to boot fittings, this can all be arranged by Chalet Abruzzes' staff.

## Kids

Chalet Abruzzes may look as if it belongs in the pages of an interior design magazine, but it really is a great place for kids. There's enough space in the living area for them to do their own thing, but still be within your view. The home cinema system will keep older kids happy, and they can always watch TV in their bedroom whilst the little ones will love playing in the waterfalls of the swimming pool.

Having access to the K2 Hotel facilities means that you have even more options on your doorstep, and whether you need be it babysitting or daily transportation, there is always a member of staff to arrange it. There is even a wonderful playroom at the hotel, should little ones ever get bored of the chalet.
