

## Chalet Ahorn Meribel Village, France

### What we love...

We love the spa on the basement floor with sauna and Hammam.

As Alpine as Toblerone, as stylishly understated as a spa hotel, this luxury self-catered ski chalet in Meribel Village ticks all the boxes for a relaxed-yet-sophisticated snowy sojourn. This is the sort of property you dream of escaping to – without telling a soul you are here!

Corner sofas and patchwork cowhide pouffes gather around a stunning fireplace, the focal point in the cosy living area.

Next to this, a sleek and chic dining space is generously laid out to create somewhere ideal for a large group to enjoy fine food, fine wines and great company.

One of the bedrooms has a mezzanine window, allowing you to look out over the communal areas. And all of them are thoughtfully decorated in a neutral palette with textured accessories such as faux fur cushions, fluffy throws and tactile blankets.

The whole chalet is set up with your relaxation in mind, so once you have returned from your morning's skiing you may wish to recharge with a little afternoon tea, then retire to the spa to soothe slopes-weary limbs and give your soul a little TLC ahead of a leisurely evening of wining, dining and catching up with friends and loved-ones.
