

Chalet Alex Zermatt, Switzerland

What we love...

We love having ski-in/ski-out access (snow cover permitting) plus the mountain views while swimming. Staying in a chalet with a pool is special – staying in one with a pool that looks out onto the Matterhorn is truly magical.

Chalet Alex is a luxury duplex ski apartment in Zermatt, which along with its sister chalet, Elena, forms part of the larger well known Chalet Shalimar in Zermatt.

Offering an on-site spa, stunning interiors and views that would make Heidi envious - if you're looking for a luxury ski chalet in Zermatt, look no further than Chalet Alex. This chalet is the perfect bolthole for a small group and if snow cover permits, it is possible to ski from and back to the chalet.

A typically Swiss combination of stylish minimalism and a warm welcome makes Chalet Alex a home from home you will really

relax in. Wood panelling and comfy armchairs, as well as a cosy snug where you can curl up in front of the TV, make this chalet a real oasis from the outside world. Yet the things that matter most are very close to hand. And in the bottom of the building is a fabulous shared spa area where you can enjoy the sauna, Hammam or a relaxing swim in the indoor pool, all without leaving the building.

Comfy and cosy bedrooms are a delight to retreat to at the end of the day. And if you're really lucky (or quicker than everyone else) you could land the bedroom with the view over the Matterhorn. What a way to wake up in the morning!

Eating

Food and drink are a highlight of your stay at Chalet Alex. Your chef will be on hand 5 nights a week to ensure everyone's needs and whims are catered to throughout your stay.

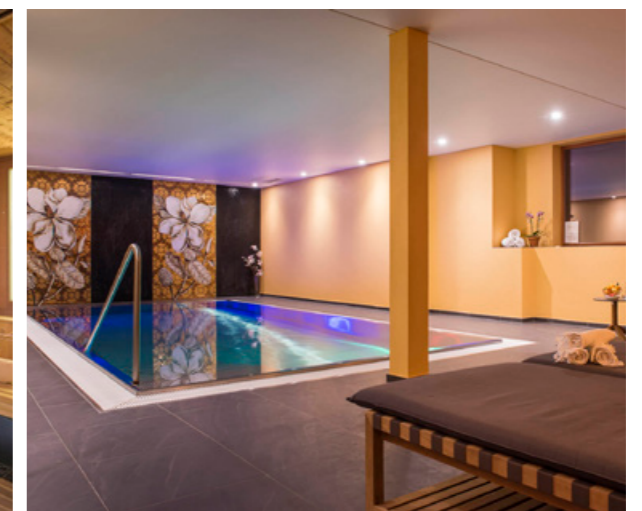

In the mornings, a hearty continental breakfast is served to ready you for an energetic day on the slopes.

For five evenings during your stay, drinks and canapés are served before dinner – a four-course treat, cooked using local ingredients wherever possible. To accompany this delicious food you have a choice of hand-picked house wines, free soft drinks and a complimentary drinks tray with two bottles of spirits, beers and mixers.

For little ones, your chef will be happy to prepare an earlier children's tea at a time to suit them.

Please note that the staff have two days off a week when dinner and canapés will not be served but your host will be delighted to make recommendations or bookings for local restaurants.

Alternatively, Chalet Elena can also be taken on a bed & breakfast or self-catered basis if you prefer.
