

Chalet Ariane St. Anton, Austria

What we love...

We love having access to the wellness area on the ground floor of the building. The perfect place to relax after a days skiing.

Chalet Ariane is a perfect luxury ski apartment, which forms part of the larger Chalet Eden Rock, with access to a swimming pool, steam room, sauna and massage treatment room, it's an ideal spot for those seeking a little rest and relaxation. Chalet Ariane is perched up on the mountainside in the Nasserein area of St. Anton, above the town.

This luxury ski chalet in St. Anton has a traditionally Alpine appearance from the outside, yet indoors is stylishly sophisticated and contemporary. A neutral palette of greys complements perfectly the antique wood and slate interiors. The cosy living and dining space is uber comfy and so welcoming – the perfect spot to relax and catch up with friends while your private chef serves canapés and prepares

your dinner. Those pursuing further spaces of socialisation will not be disappointed, as the chalet also has a private but social shared bar area (shared with the other 2 apartments).

After your delicious four-course evening meal, retire to the fireside with your night cap to discuss the next days' activities, or take a warming mug of coffee out onto the balcony to breathe in that mountain air by night.

At the end of a day, filled with fresh air and fine food, you'll be thankful to retreat to one of the spacious en-suite bedrooms, designed with high levels of comfort and cosiness in mind. Slip under the covers and sleep the night away before doing it all over again tomorrow. Total bliss.

Eating

Talented chefs and sommeliers will ensure food and drink are as high on the agenda here as the skiing. From your first cup of tea of the day – brought to you in bed of course, to your delicious four-course dinners, every mouthful is given careful thought.

A hot breakfast will be served to ready you for a day on the slopes, and when you return home from your day's skiing, you'll find a slap-up tea waiting for you. On the staff days off, continental breakfast and afternoon tea will be laid out for guests to help themselves.

Drinks and canapés are served before dinner on five nights. Your evening meal is always something special – creative menus combined with high quality ingredients, local wherever possible, and wines specially selected to complement each meal. Menus can be tailored to suit your wishes and your chef will be happy to take into account any dietary requirements.

You'll have two evenings a week to sample the local restaurants of St Anton and your chalet hosts will be more than happy to make recommendations and bookings.
