

Chalet Arlene Megeve, France

What we love...

We love the swimming pool with its stunning mountain views through glass doors.

Talk about room with a view! This four-storey chalet with seven bedrooms has space for everyone – and wonderful views out onto the mountains.

Chalet Arlene is a luxury ski chalet in Megeve with swimming pool and cinema room, which should keep everyone well entertained during your stay here.

The main living and dining areas are open-plan with double-height space and floor-to-ceiling windows offering stunning views. The property is traditional in style but with a very contemporary twist, using glass to make the most of the outlook and the light. As well as the enormous picture windows, there is a glass staircase and mezzanine walkway,

which gives you the feeling of walking in thin air, and allows light to flood into the main living areas.

There's an impressive semi-professional kitchen, which gourmands will enjoy using – or just leave it to a chef and sit back and relax – perhaps in the bar. Every meal is made to feel like an occasion at the glass-topped table with quirky faux-fur covered chairs. After dinner, wander out to the balcony with your drinks and enjoy the view of the Aravis before turning in.

The comfortable en-suite bedrooms are well kitted out with every comfort and luxury you could hope for to ensure you are perfectly rested for tomorrow's adventures.
