

## Chalet Atlantique Courchevel 1850, France

### What we love...

We love taking the lift up to the top floor of Chalet Atlantique where the amazing master bedroom suite is found. Wallow in the designer bath tub, warm up beside the fire and gaze out over Courchevel's peaks.

The snow fairy must have waved her magic wand over this sumptuous chalet, because the result is truly enchanting. Decorated with exquisite taste, Chalet Atlantique is one of the most exclusive private lairs in Courchevel 1850.

You want to be close to the action, yet in a secluded spot? – this ticks all the boxes. You want a truly dedicated and all-encompassing team of staff? – this team works only for Chalet Atlantique. You want all the convenience of your own gym and spa? – this is right on the money.

It's all so civilised, from the champagne reception when you arrive, to the day of your reluctant departure. Your Chalet Atlantique host can organise everything from booking lunch at an exclusive mountain restaurant, to arranging ski hire and tuition. Your chef cooks up gourmet cuisine, according to your instructions. Your chauffeur awaits the signal to whisk you and

your guests around town, whenever you desire.

The perfect antidote to those aching muscles is a soak in the outdoor hot tub and a relaxing massage before dressing for dinner in the velvet and leather shimmer of the dining room. An elevator transports you silently down to the chic cinema room on the lower ground floor, or up to the wellness area and bedrooms above. The best room in the house has to be the Master bedroom which takes up the entire top floor and boasts a fireplace, dressing room, magnificent en-suite bathroom and superb views over the mountains.

If you can drag yourself away from all that luxury, it's only a five minute walk to the shops and bars. And if you get too laden with designer shopping bags, you can call up the chauffeur to come and collect you. Let's be clear: Every inch of Chalet Atlantique, extending to over 400 square metres, bears the stamp of privilege.

## Eating

Chalet Atlantique prides itself on fine dining and a tailored personal service. Succulent roasts, light and delicate dishes, fresh local produce – it's all a mouth-watering gourmet experience from the moment you arrive at Chalet Atlantique.

The dedicated service of your private chef is included, whilst the cost of all food and drink consumed is an additional charge. This means that you only pay for what you eat and drink, whether you revel in self-indulgence or treat your body as a finely tuned engine.

All the arrangements are flexible, according to your wishes, but usually you would be welcomed with a champagne reception with canapés. The chalet has a well-stocked bar so there is plenty of scope for everyone to enjoy their favourite tipples. A range of tasty breakfast treats is served every morning and delicious afternoon teas await your return from the slopes.

The chef is happy to cook separate evening meals for the children, so that they can have their favourite foods and don't have to wait around for the adult meal. Later, champagne and canapés are served as you relax in front of a roaring fire, catching delicious aromas from the kitchen as your dinner is prepared.
