

## Chalet Baltoro

Courchevel 1850, France

### What we love...

Chalet Baltoro ticks all the boxes of a perfect ski holiday - Fabulous facilities, fully staffed, ski to the door and extremely good looking. It also combines the seclusion of a private chalet with the service of a first class hotel.

When the deluxe factor is this high, you may find it hard to tear yourself away when it's time to go home. Chalet Baltoro wows you with its gorgeous interior design, and cossets you with personal service. If only life was this perfect at home. One of six independent luxury chalets managed by the five star Le K2 Palace hotel in Courchevel 1850, Chalet Baltoro is ski-in/ski-out and has superb views over the Vanoise valley.

Greeted by your own personal waiter and private chef, your life of luxury in the mountains starts with a champagne reception. Once you have explored every inch of the magnificent private pool and spa, the sumptuous bedrooms and stunning living space, it will be time to hop in the lift to the top floor for dinner. As you gather around the dining table, savouring the delicious gourmet food, you can make plans for the days ahead.

Whatever you need - from ski passes to boots, mountain guides to chauffeured cars, your chalet staff can make all the arrangements. In the morning, all you need do is step into your skis and slide straight out onto the Cospillot run.

There is plenty of room for everyone to spread out in Chalet Baltoro's 570sqm of space, split over three levels. You enter on the top floor through the hallway and past the guest cloakroom to the breathtaking living space. There are two separate lounge areas for chilling out, a dining space and a private bar. And, if you feel like venturing out, the highly regarded K2 hotel with all its facilities is at your disposal.

It's funny how quickly routines are established, whether it's gathering on the expansive terrace for après-ski cocktails taking a refreshing swim every morning, or settling in for a movie on the big screen every night. You'll soon forget about ordinary life back home.
