

Chalet Benou Crans Montana, Switzerland

What we love...

We love sitting in the Jacuzzi tub with a glass of wine, looking out at the view. Heavenly!

Perfectly placed and stylishly decorated, Chalet Benou is a little gem both inside and out. Perched (with a certain smug jauntiness, we think) right on the slope, this luxury ski chalet in Crans Montana is ski-in/ski-out, giving you the speediest escape to the slopes you can imagine following a continental breakfast delivered to your chalet.

Inside, the chalet is decorated in a sophisticated monochrome palette, with metallic accessories lifting the rooms and bringing light. Two seating areas, with club chairs and deep-seated sofas, and a smart dining area around an open fire give you and your party plenty of space to relax and catch up on the day's events over pre-dinner drinks.

The private mini-spa, with Jacuzzi and sauna, provide a relaxing place to zone out of an afternoon when you return from the slopes. From the Jacuzzi tub there's an amazing view of the mountain tops – like looking out on a perfectly cooked meringue! To keep the children entertained while you enjoy some serious R'n'R, a Nintendo Wii and entertainment system are laid on, too.

With the addition of a concierge service, this luxury chalet with spa, offers the ultimate in relaxation. Whether you want a babysitter for the night, a special meal or reservations making, your wish is their command.
