

Chalet Cannelle Châtel, France

What we love...

The outdoor hot tub – the perfect spot to relax after a day of exploring the slopes of Portes du Soleil.

Stunning, stylish, yet oh so comfortable, you'll feel right at home at Chalet Cannelle, a true gem of a luxury ski chalet.

Nestled in a peaceful hamlet close to the charming ski resort of Chatel, it's hard to believe that this luxurious chalet was once a humble cow-shed – though there are clues dotted throughout, from cow-hide rugs to cowbells to bovine-inspired artwork!

Chalet Cannelle's gorgeous open-plan living space, with its exposed beams and double-height ceiling,

has a vast wall of glass doors and windows to take advantage of the breath-taking views over the Mont de Grange. Here you can sink into one of the huge comfy sofas of your luxury ski chalet beside the crackling log fire, with a mug of something warming. Or step outside where you'll find your very own hot tub – just the thing for soothing those aching limbs after a long day on the slopes.

With six stylish and uniquely-themed bedrooms, Chalet Cannelle is the perfect home from home in Chatel.

Eating

Food is a serious pleasure at Chalet Cannelle. Much of the exquisite food on offer at this luxury chalet is locally sourced or organically home-grown in the chalet's gardens and cooked by your wonderful hosts.

You'll breakfast like a king each day, with home-made granola and freshly baked croissants followed by the freshest of free-range eggs, cooked your way. The owners keep chickens, and your children are welcome to join them in collecting eggs for breakfast each morning.

On your return from a day on the slopes, you'll be met with a wonderful afternoon tea complete with home-baked cakes and pastries.

Each perfect evening at your luxury ski chalet begins with aperitifs and canapés – served by the fire or on the balcony. Then on to dinner, which could be anything from contemporary French cuisine to an Italian extravaganza or a Thai banquet – almost everything is made from scratch here, from pasta to pastries, stocks to sorbets.

And with plenty of house wines, spirits, beers and soft drinks on tap, everyone can enjoy their favourite tittle whenever they wish.

Chalet Cannelle

Kids

Children always receive a warm welcome at Chalet Cannelle, and there's plenty to keep them occupied here. The playroom on the mezzanine is filled with toys and games as well as a Nintendo Wii, a selection of kids' movies and Netflix.

Outside there's a terrace and a large private garden where they can make snow angels and build snowmen to their hearts' content, before piling inside for an early home-made tea, cooked specially for them every day at a time that suits.

Cots, highchairs and other baby equipment are of course all available on request.

Location

Chalet Cannelle is situated in the beautiful Savoyard village of Chatel within easy reach of lifts in the Portes du Soleil ski area. Chatel has a great selection of bars, restaurants and shops to choose from and is just a four-minute chauffeured drive away.

Chatel is approximately 1hr 40mins drive from Geneva airport.
