

Chalet Cree Chamonix, France

What we love...

We love the 360 degree views over the Mont Blanc mountain range from this luxury ski chalet.

Make yourself at home in your own mini hotel. This luxury chalet in Chamonix has all the facilities you could ask for – as well as the privacy of your own four walls to escape to after the bustle and excitement of a day spent on Chamonix's slopes and après ski scene.

As well as six comfortable bedrooms each with their own en-suite, Chalet Cree has a very cosy living room with fabulous views and a roaring fire for you to gather around together. TV, surround sound and a DVD player makes it a lovely spot to enjoy a movie together. There's also a games room equipped with a pool table and lots more to keep both big kids and little kids busy.

After a morning on the slopes, you might like to spend an hour or two in the spa, enjoying a facial or massage, or just relaxing in the sauna. There's also a gym for anyone for whom a morning on Chamonix's mountains isn't enough to keep them trim!

In the evenings, Chalet Cree really comes into its own, with its warm and welcoming atmosphere. When you've had your fill of good food, fine wine and excellent company, pop down to the bar for a drink and take it out onto the terrace for a hot tub with one of the finest views you'll ever enjoy.
