What we love...

We love the airy high ceilings and floor to ceiling windows which lead out onto the stunning terrace with mountain views.

Alpine luxe meets contemporary chic at this luxury penthouse apartment in St Christoph. Quirky details and high ceilings create airy sophistication at Crux Penthouse. Timber framing, a muted colour palette and thoughtful lighting set the scene for pure relaxation.

Kick off your ski boots and enjoy a glass of something bubbly by the wood burning fireplace in the open plan living area. Grab a blanket and steal away to the spacious terrace. It's the perfect spot for seeing the sun

fade over the snowy peaks on your luxury ski holiday.

Then, watch your private chef rustle up a four-course dinner, when your feast is ready, gather with your party in the atmospheric dining area, seating 12. The wonderful chandelier is a real talking point.
