

## Chalet Cryst'Aile Courchevel 1850, France

### What we love...

We love eating breakfast while looking out at the snow-capped mountains – a true 'Alpen' moment!

The words 'comfort and joy' simply sum up this rather special property. Huge, squashy sofas, oversized cushions and warm throws make you feel right at home, and that uplifting mountain view from the floor-to-ceiling windows is pure joy. We defy you not to burst into refrains from The Sound of Music each time you look out at the slopes.

Standards are very high at Chalet Cryst'Aile. Courchevel 1850 is one of the most exclusive ski resorts in the world, and this property is one of the best. The shared spaces are ideal for entertaining – dining areas both inside and out with breathtaking mountain views, as well as generous seating areas give you lots of room to socialise and entertain. The modern-alpine styling brings a really restful feel. The interiors

are welcoming and uber-comfy but always simple – why, after all, detract from a view that is naturally a work of art?

After a full morning's skiing, there's no better place to relax than in your own private spa. Relieve aching muscles in the hammam and sauna, or let aches and pains float away with your worries in the lovely swimming pool.

All the bedrooms are fantastically well appointed, with TVs, DVD players and much more. And each has a luxurious en-suite decorated in muted shades to create a restful retreat at the end of the day.

Chalet Cryst'Aile is a haven from home. We're willing to bet you'll be back.

## Eating

You'll always feel well looked after at Chalet Cryst'Aile. Your private chef and butler are available at both breakfast time and dinner time to cook you up a storm and ensure you do not have to lift a finger.

Staff are as flexible as possible so it's up to you to decide what time you'd like breakfast to be ready and waiting for you, and whether you want something cooked to really set you up for a day on the slopes or lighter, healthy options so you can be out on the snow in moments.

Similarly, evening meals can be laid-back comfort food on the sofa or a gastronomic feast. Your chef will be happy to discuss all this with you before your stay to ensure everyone is well fed at all times and any likes, dislikes or dietary requirements are taken into account.

Please note that cost of food and drinks during your stay will be charged for separately.
