

Chalet Dent Blanche Verbier, Switzerland

What we love...

How easy it is to be clinking glasses at the centre of Verbier's après-ski scene one minute, and taking a quiet dip in the chalet's infinity pool the next. And we love the close proximity to the Médran lift.

Walking into Chalet Dent Blanche is a bit like taking a glug of rich hot chocolate: comforting, and soul-warming. Just the sight of all those chunky wooden beams and a roaring fire makes you want to sink into a big squashy sofa immediately, feet up, vin chaud in hand.

Hidden away in the trees with several balconies looking out onto a dramatic mountain vista, luxury ski chalet Dent Blanche is also just two minutes walk from the centre of town. The main ski lift and Verbier's renowned après-ski scene are just moments away, yet it's just as easy to escape from the buzz and enjoy the chalet's serene setting.

Inside, wood dominates alongside deep fluffy rugs and faux fur cushions thrown in, as well as contemporary paintings and artefacts. Natural light floods the main living space, while in the décor, deep, dark colours meet shades of cream.

Pleasingly rustic, Chalet Dent Blanche is also modern in all the right ways, with a Creston entertainment system, private cinema, fabulous indoor swimming pool as well as sauna, Hammam and wonderful outdoor hot tub.

Forget about having to do anything, either. Your driver will take you where you need to go. Housekeeping will pick up discarded ski jackets and gloves. Your host will fix the drinks, and your private chef will toil away in the kitchen preparing food just how you want it, when you want it.

And for anything extra (private ski lessons, restaurant reservations, perhaps an après-ski visit from a masseur), your concierge will make the all arrangements.

A family Christmas here would be postcard-perfect. A party of friends would work just as well. This kind of snow-kissed luxury is what ski holidays are all about.

Champagne and canapés by the fire, hot chocolate on the balcony or vin chaud by the pool? Whatever you want, the staff here will provide it, while you put your feet up before dinner.

Meanwhile, your private chef will be busy crafting a delicious evening meal, tailored for your party, however you want it. It could be seven courses served on the banquet table, or Rösti and red wine in front of the TV.

The next morning, enjoy the kind of breakfast that will set you up perfectly for a big day on the slopes, prepared just as you want it.

There is a wine list provided by a revered Verbier cave – and a wine cellar downstairs to peruse at your leisure.

We won't forget your little ones either and early dinner for children is available if required.

Please note that cost of food and drinks will be charged separately (plus applicable VAT), so menus can be tailored exactly to your party's preferences.

Chalet Dent Blanche

Kids

When they're not giggling together in their chunky wooden bunk beds, children will be making the most of their spacious surrounds. Some serious splashing about in the swimming pool are the order of the day, before diving onto the sofa in the TV snug or cinema room, for a film before bed.

In the evenings, whether you would like your children to eat with you, or have their own early supper, your private chef will prepare their food just as they (and you) like it.

Childcare can be organised to look after little ones, whether it's snuggling up in the chalet, or heading outside to see who can build the best snowman. Highchairs and cots can also be provided.
