The Solaise piste is literally on your doorstep and you can ski right into the boot room at the end of the day. The beginner slopes are conveniently close while the centre of the resort is only a short chauffeured drive away.

This chalet sleeps ten guests in five en-suite bedrooms and is flooded with light from windows in every direction. The lofty drawing room with its high beams and roaring fire is the heart of the chalet, while the dining area is dominated by a huge table makes it ideal for entertaining. Above, there is a cosy mezzanine TV snug, a perfect hideaway for children or adults. Kick

back and warm yourselves by the fire while your chef puts together a spectacular evening meal and your host tops up your bubbly.

Outside there are two large sheltered terraces with wonderful views over the resort to the Face de Belvedere. The hidden outdoor hot tub is perfectly located for you to enjoy a glass of Champagne and the massage room, sauna and Hammam are perfect for relaxing and unwinding after a hard days skiing.
