

## Chalet Epina Megeve, France

### What we love...

We love the proximity to the slopes, which are just 70 metres away, meaning you'll waste no time getting out in the mornings.

'Heidi' views and a big dollop of home comforts are what makes Chalet Epina special. This luxury ski chalet in Megeve is moments from the lifts and has soul-lifting views of the gentle slopes nearby.

It's a haven for those who want to experience excellent skiing as well as some high-quality rest and relaxation, too. The sociable living spaces encourage plenty of conversation – L-shaped sofas with plush velvet cushions just cry out to be lounged on, and a cosy TV space with squashy seating is perfectly warmed by the fabulous fireplace. Once you've caught up on everyone's slopes action for the day around the fire, take your drinks over to the cosy dining area, where you can easily sit for hours over a few bottles of fine wine and gourmet food.

Each of the bedrooms is designed in a simple, relaxing style, with off whites and natural woods set off by an occasional bold splash of colour.

If you're suffering with 'skiers' thigh' after your mountain adventures in the morning, you can spend the afternoon soothing them in the sauna – and if you're a glutton for exercise, the fitness room is just next door.

Chalet Epina offers something for everyone. Whether curled up by the fire with a large mug of hot chocolate or making the most of all the action right on your doorstep, this is a property designed to meet all your ski holiday desires.

Whilst the chalet does have an outdoor swimming pool, please be advised it is only available for summer use only.
