

Chalet Eugenie

Crans Montana, Switzerland

What we love...

We love curling up under a blanket on the sofa with a glass of very fine red, watching the snow fall through the huge windows.

Location, decoration and jollification... this luxury ski chalet in Crans Montana has it all in spades. Perched right on the slopes, Chalet Eugenie is ski-in/ski-out so you won't waste a moment getting out on the snow in the morning and when you're ready for a sit down with steaming cups of tea and hot chocolate, followed by a long soak in the Jacuzzi, you can ski all the way back to your door.

The interiors are beautifully decked out in a range of natural materials for a relaxed, rustic vibe. Each bedroom has faux fur throws on the beds ensuring each room is a haven of comfort and warmth –

somewhere you'll look forward to hunkering down in each night.

In the communal sitting room, squashy sofas are grouped around a stove-style fire, while the floor-to-ceiling windows behind offer a fabulous mountain view. The sophisticated dining area is open plan to the kitchen so you can watch as a private chef prepares your evening meals, while you and your fellow guests sit around the table, catch up and enjoy a few wines from the cellar.

Downstairs is a private mini spa with sauna and Jacuzzi, to allow you to ease away any aches and pains ready for another day on the slopes.
