

Chalet Genepi Meribel, France

What we love...

We love the breathtaking views of the Meribel Valley, best enjoyed from the chalet's wrap-around balcony...

With staggering views of the Meribel valley, Chalet Genepi offers a lot more than a little hope. Sleeping up to 14 guests across seven en-suite bedrooms, this charming ski chalet has everything you have been looking for in your luxury ski chalet in the 3 Valleys.

A glorious first floor, open plan living and dining area keeps your group together whilst they relay stories of the day zipping around the mountains. In the evenings, kick back and warm yourselves by the fire while you catch up with the rest of your party. After dinner, retreat back to the roaring fire or out onto the balconies with a night cap to watch the stars twinkling over the mountains.

The south facing views down the valley are stunning and there's nowhere better to enjoy this than in the bubbling hot tub outside on the terrace. Alternatively, you might like to sneak off to the sauna to ease away any aches and pains from your skiing day.

Located just 50 metres from the nearest piste, serious skiers will be out on the slopes within seconds and can ski back to the chalet via the domain in good snow conditions. Traditional Savoyard good looks and an enviable position, facing south over the Meribel Valley makes Chalet Genepi a wonderful winter bolthole.

Eating

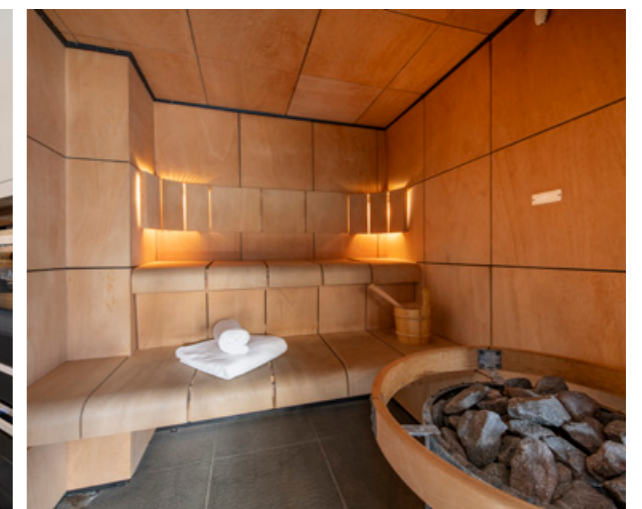

If good food is a cornerstone of any holiday for you, Chalet Genepi won't disappoint. Your chef and host are on hand to ensure you are always well fed and every glass is permanently charged.

Each morning you'll wake to the aroma of a cooked breakfast being prepared. For those who prefer a lighter option there is also local yoghurt, muesli, cereals and freshly baked bread with jams. Whatever you choose you'll be well set up for a morning's skiing. On your return, afternoon tea is served to warm you through.

There's just enough time to unwind in the hot tub or sauna before Champagne and canapés are served. Then you'll gather round for a four-course feast all accompanied by hand-selected wines.

On your chef's day off, the staff will be able to help with recommendations and bookings for local restaurants.

Chalet Genepi can also be taken on a self-catered basis if you prefer to explore different restaurants in Meribel. But if you don't feel like going out and prefer to cook yourselves, the kitchen is very well appointed with everything you need to make cooking a pleasure.

Most of the double bedrooms can also be configured as twins, giving maximum flexibility no matter how many children are in your group. If with tiny ones, baby cots and highchairs can be supplied.
