

Chalet Genepy Val d'Isère, France

What we love...

We love the stunning indoor pool set into the rock face, where you can feel at one with the mighty spirit of the mountains.

Just say yes. Say yes to a supercool indoor swimming pool. Say yes to cosy nights in by the fire. Say yes to a luxury ski holiday at Chalet Genepy. With its dramatic interiors and jaw-dropping features, this luxury ski chalet sits in the wonderful resort of Val d'Isere, part of the Espace Killy ski area.

Step inside, take a look around and prepare to be knocked out by the stunning living room, but just wait till you see the basement.

Glide down in the elevator and step into a unique private wellness centre. Carved out of the rock face, the inviting indoor swimming pool feels like a secret grotto, equipped with water jets and ambient lighting. Nearby is a state-of-the-

art hammam, ready to melt away all the aches and pains of a hard day's skiing. You can easily switch the mood from tranquillity to revelry with the state-of-the-art sound system. Hmmm... It sounds like the perfect place for a pool party.

Bedrooms are all richly and elegantly furnished, and the chalet works well for families or groups of friends. You don't all have to socialise together, as there is a separate TV room, as well as a big south-facing balcony.

The open plan living area has the huge timbers of an ancient barn, and the ethereal light of a cathedral. It is filled with modern comforts such as a massive central fireplace and deep comfy sofas to relax on.
