

Chalet Granit

Argentiere (Chamonix), France

What we love...

We love the secluded, luxury location. Close enough to enjoy all Chamonix has to offer, but tucked away on the banks of the river Arve with just three other properties.

Get back to nature on your ski holiday in this beautiful light-filled luxury ski chalet, located right on the banks of the Arve river in Chamonix, and decked out in a combination of birch wood and granite. As the sun streams into the living spaces, you almost feel you could be outside in a forest on a bright winter's day. Both floors of Chalet Granit are enclosed by a terrace, too, so you get a real sense of the outdoors and can step outside and enjoy the stunning scenery any time.

The ground-floor terrace boasts a sunken hot tub, the perfect place to relax after a day on the slopes. On the upper floor, as well as the spacious living areas you would expect, there is also a mezzanine games/playroom, perfect for

children to call their own or to enjoy a little quiet time.

There's lots to keep every member of your party busy in the gorgeous little hamlet of Argentiere near Chamonix with access to a cinema room, sauna, library and wine cellar.

With a talented chef and waiting staff on hand, you'll be able to enjoy all the benefits of the privacy of your own home, hidden away from the crowds.

Chamonix is a buzzing town all year round, and Chalet Granit is ideal for a summer chalet rental in the Alps. Surrounded by beautiful scenery, it also has a shared outdoor swimming pool to enjoy (for summer use only).
