

Chalet Hadrien Meribel, France

What we love...

We love the swimming pool room – lovely oval pool, comfortable loungers and the addition of a roaring fire to make it even cosier.

Experience the warmest of welcomes here at Chalet Hadrien. This luxury ski chalet in Meribel practically throws its arms around you and gives you a bear hug as you enter.

It seems that everywhere you turn here, a fire is roaring away and there's always a drink to hand and a throw to toss over your knees. In the main living room, deep sofas are arranged around the impressive fireplace, overlooked by a traditional stag's head (don't worry – he doesn't drink much).

In the dining area, two tables are beautifully laid out for you, creating two intimate eating spots, with ultra-comfy cow hide and slubby velvet chairs, designed to ensure you'll linger at the table talking, long after the meal has ended. If you do choose to retire elsewhere for after-dinner spirits, armchairs are gathered around the nearby fire and the bar is within reaching distance.

Each of the bedrooms is decked out with stacks of faux-fur throws, deep rugs and plump cushions to make for an ultra-comfortable experience. And if you feel in need of some professional pampering, pop down to the spa, with an indoor swimming pool, sauna and Hammam, for a relaxing afternoon restoring health to both body and mind.

On nights when you just want to curl up and shut the world out, hunker down in the fabulous cinema room, curled up on sofas with popcorn and a good film.

This luxury ski chalet, attended by an experienced staff, is so well-appointed, private and peaceful, you feel like you're in your own little bubble here, yet the centre of Meribel and the slopes are just a few moments away.

Please note that whilst there are nine bedrooms, the maximum capacity is up to 15 guests.
