

## Chalet Karakoram Courchevel 1850, France

### What we love...

We love the super chic modern style of Chalet Karakoram and all the benefits you get from being part of the fabulous K2 hotel. The chalet's plum position means that you can ski to the door too.

Pack your most elegant designer threads for a stay at the divine Chalet Karakoram - one of the finest luxury ski chalets in Courchevel 1850. If you seek unfettered luxury, contemporary chic and all-encompassing service, look no further. Chalet Karakoram is an independent chalet with its own team of staff, under the auspices of the super-stylish Le K2 Palace Hotel.

It's a ski chalet alright, but not as we know it. You won't find traditional rustic alpine style here. Chalet Karakoram is all sleek lines, neutral tones and acres of pale wood. The 500sqm of space, extending over four floors, is brimming with modern technology. Everything from the home cinema screen in the living room to the stylish elevator has been conceived with your comfort in mind.

One of the most attractive aspects of Chalet Karakoram is the superlative level of service. You have seclusion and privacy in your

own private chalet, with your own private chef and butler, plus daily housekeeping and all the services of Le K2 Palace Hotel such as concierges, drivers and therapists.

Just relax in the gorgeous jetstream swimming pool that would put any health club to shame, trying to think up new and challenging requests for your staff. How about a beauty treatment? A helicopter ride? Hmm... what about hosting a cool party with a great DJ? It shouldn't be too much trouble at Chalet Karakoram.

Oh, and don't forget that you have a private chef who can create delicious treats. At the end of the night you can retreat to the stunning master suite at the top of the chalet for a romantic glass of Champagne, taking in the spectacular views. It's good to know that in the morning you can beat the queues, skiing straight out onto the slopes of Courchevel and Les Trois Vallees.

Should you have any special requirements, your chef will discuss these with you to ensure that everything is exactly the way you desire. Don't forget that as well as a personal chef, you have the excellent restaurants of the K2 Hotel and the whole of Courchevel 1850 on hand.

## Kids

Perhaps the best aspect of Chalet Karakoram from a child's point of view is the private swimming pool. Complete with a jet stream and waterfall feature, it is a great place for families to hang out and relax.

Children's activities can be organised by the staff and have all the hassle of arranging ski passes and hiring ski gear taken out of your hands. If kids get bored of the chalet, you can always take the little ones over to the K2 Palace Hotel where there is a fantastic playroom for a change of scenery.

Whatever you need to keep kids happy, whether it is early children's dinner, favourite foods or favourite games and toys, just let us know.
