

Chalet LV01 Dolce Vita Cortina, Italy

What we love...

We love the spa facilities at this chalet – swimming pool with waterfall, sauna and Jacuzzi designed to soothe your very soul.

Nestled in an intimate hamlet of just three chalets in this exclusive area of Cortina, Chalet Dolce Vita occupies an enviable position. The luxury chalet with spa facilities in the Dolomites looks out onto the 'Passegiata', giving you wonderful panoramic views and plenty of action to see before you even set foot on the slopes.

The chalet is spread over four floors connected by a lift, and offers generous living spaces where everyone can truly relax. One entire floor is given over to the lounge area, to make this a wonderful entertaining space. A roaring open fire and a wet bar completes the picture. Comfortable sofas and a cosy dining space create lots of room for everyone to kick back with a glass of wine from the chalet's own cellar of an evening. And you won't need to lift a finger while you're here. The butler is always on hand to fetch whatever you need and your Michelin-star private chef

to create gourmet feasts on your luxury ski holiday.

As befits a chalet in this exclusive and glamorous area, everything you could wish for has been laid on. Take a few lengths of the swimming pool, or spend a few hours in the gym, working up an appetite for your evening meal, then chill out in the spa. The spa area has a massage room as well as sauna and Jacuzzi. You're guaranteed to leave utterly relaxed and revived. On afternoons after an energetic morning on the slopes, there's nothing nicer than collapsing in front of a film together. The private cinema is kitted out with luxury chaise-longue-style sofas for your ultimate relaxation.

Before you float off to bed each evening, don't forget to take your drink out onto the terraces to breathe in that mountain air and catch a glimpse of the stars. There's nothing like it to guarantee a good night's sleep.
