What we love...

We love the beautiful spa area and swimming pool at Chalet La Grande Roche. It's enough to make you want to finish skiing and head back to the chalet early!

Chalet La Grande Roche is ideally located just a few minutes from the pistes and centre of the resort, yet being surrounded by fir trees it offers both privacy and oodles of Alpine charm.

It has been finished to the highest standard and the wonderful warm cosy atmosphere is complemented with state of the art entertainment systems and a beautiful swimming pool.

The chalet is built over four levels and the centrepiece is the magnificent living room with double height vaulted ceiling and large central fireplace. There are seven

beautifully decorated bedrooms, one of which is accessed via an interconnecting door in bedroom one and is most suited to children.
