

Chalet Les Etrennes Verbier, Switzerland

What we love...

We love the sunken outdoor hot tub, just the ticket to soothe tired muscles after a day on the slopes.

Newly renovated for 2017, Chalet Les Etrennes is a true oasis of warmth and comfort amid snowy mountains. This luxury ski chalet in Verbier provides a private and stylish retreat from the world. Set on the sunny south-facing side of Verbier, it's ideally located just a short drive from both the ski lifts and the centre of town.

Modern comforts give this traditional Swiss chalet a contemporary twist. Alongside the wood cladding are stylish design ideas and high-tech equipment that add a touch of luxe. The heart of this luxury ski chalet however must be the open plan living spaces. An uber-comfortable living area, with squashy sofas and a roaring log fire offer the perfect spot to gather with friends and family to catch up on the day's events over a warming afternoon tea. Adjacent there is also a

separate TV room where children can host their own movie matinee while the grown-ups enjoy a glass or two of bubbly in the outdoor hot tub on the terrace.

With a separate relaxation area above the living room, there is plenty of space for every member of your party to relax and recharge their batteries on their luxury ski holiday at Chalet Les Etrennes.

Each of the en-suite bedrooms is designed in neutral shades with super-comfy beds and with luxury toiletries on tap, so you can escape to your own private cocoon each evening if you wish. Alternatively, there's no finer way to end an evening at this luxury ski chalet than out on the balconies with a nightcap, taking in the mountain air while you look out over Verbier.
