

Chalet Lhotse Val d'Isère, France

What we love...

We love the eclectic style of Chalet Lhotse - Gorgeous rich wood tones and natural stone, highlighted with hip animal hides and crystal chandeliers. Rustic yet totally glamorous.

Combining traditional alpine style with contemporary designer pieces and reclaimed intricately carved Mongolian furnishings, Chalet Lhotse pulls off the 'rustic chic' look with panache.

Sitting right in the heart of the high altitude resort of Val d'Isère, Chalet Lhotse is just a short stroll to the action of this buzzing resort and just a two minute chauffeured drive to the Solaise lift.

Chalet Lhotse has a wonderful open plan living space which, complete with grand piano, dedicated bar area and funky animal hide sofas, makes a great space for socialising. The main living area opens out onto terraces and gives stunning views towards the infamous La Face piste.

Upstairs there is a mezzanine floor with a snug with TV and a games console. This is a great spot for older kids to have their own space, watch a movie and escape the adults.

On the ground floor guests are treated to a stunning wellness area, which ticks all the boxes after a long day skiing. There is a well equipped gym if you feel the need for a work out. Then take a swim in Chalet Lhotse's indoor pool (complete with projector screen) to stretch the legs, followed by a soak in the outdoor hot tub or Hammam and finished off with a soothing massage in the dedicated massage treatment room.

Chalet Lhotse has six beautifully finished twin or king-size bedrooms, each with en-suite bathrooms. For families with children, there is also a bunk room off one of the double bedrooms.

The service at Chalet Lhotse is exceptional. With concierge services, a private chauffeur and chalet hosts to cater to your every whim. Guests are also treated to exquisite culinary creations from the talented private chef.
