

Chalet Makalu

Courchevel 1550, France

What we love...

We love the characterful welcoming feel to this luxury ski chalet, complete with bar and outdoor hot tub.

Entering Chalet Makalu is like stepping into Narnia. The traditional backdrop is perfect for contemporary furnishings, quirky designer features and twinkling fairy lights that illuminate the whole chalet like magic.

In the living spaces, rustic, rough-hewn woods and fluffy faux-fur cushions and throws create a warm and cosy retreat from the world. There's nowhere more comfy to hunker down and watch the snow swirling outside. The dark furnishings give the space an air of gentleman's club mystique, with a hint of the fun and the frolic about it.

The luxury ski chalet with hot tub offers plenty of spaces to recharge your batteries. As well as the

fabulous hot tub, masseurs and beauty therapists are also available to visit you in the comfort of your chalet, and spa-style bathrooms adjoining each luxury bedroom give everyone a wonderfully comfortable space to call their own, too – perfect as a retreat for the afternoon following a busy morning on the slopes.

In the evening, regroup with friends and family to enjoy a meal either in the chalet itself or moments away in Courchevel Village, then retire to your private bar and adjoining cinema area to enjoy a chat, a film and the opportunity to melt into uber-comfortable seats with a glass of something chilled and bubbly in your hand.
