

Chalet Maria Schnee St. Anton, Austria

What we love...

We love the extra little luxuries in stylish Chalet Maria Schnee, such as the Hammam and sauna. It's perfect for sharing families, with oodles of space for both adults and children.

Seeing is believing, and the gorgeous Chalet Maria Schnee is a sight to behold. Set in a prime position in the Austrian resort of St. Anton, this luxury ski chalet is perfect for family groups seeking an indulgent treat.

If you thought that Tyrolean decor was twee, then Chalet Maria Schnee will open your eyes to the sophisticated side of alpine crafts. Charming and super-cool at the same time, the chalet is furnished with unique pieces such as finely carved doors, and a huge tree trunk which serves as a coffee table. The patina of antique wood forms the perfect backdrop to modern pieces of art and furniture. Alpine style has never looked so good.

Spread over the four floors, Chalet Maria Schnee has 550sqm of space, giving everyone room to spread out and daily visits from the housekeeper mean no worries about tidiness.

Even better, this classy ski chalet comes with five star service, provided by a team of dedicated

professional staff. Relax in the spacious open plan living area, in front of the log fire, as drinks are served and a mouth-watering dinner is prepared by your private chef. Discuss snow conditions with your ski guide and ask the concierge to book lunch at the best mountain restaurants. Savour the feeling of being in the lap of luxury as you take in the magnificent views.

With excellent skiing and world-famous après-ski, St. Anton is a great place to stay. Chalet Maria Schnee is just a few minutes walk from the Nasserein lift, but if you want to get across town, there is an in-resort driver to whisk you there in style.

Feel those aches and pains melt away in the sauna and Hammam whilst the children have fun in the playroom. After dinner, you can doze on the sofas, watching a favourite film. In fact, this luxury chalet is so lovely that you may secretly enjoy bad weather days when you are forced to stay in the comfort of your luxury alpine lair.
