

Chalet Moriond Courchevel 1650, France

What we love...

That the bedrooms all have their own unique look – no bland hotel style suites here. We especially love the room with the cow-hide-clad bathtub. Definitely worth a dip.

Contemporary cool meets cosy in this gorgeous five-bed chalet. In the living areas, bold, bright rugs and furnishings sit comfortably next to traditional features such as an open fire and exposed stone walls for a really relaxed, modern feel with more faux fur throws and woolly blankets than you can shake a stick at.

The fun-factor is high here, with a home cinema area, a pool table and indoor Jacuzzi. Kids will be happily entertained here for hours. And,

when you wish to explore the area, you are just moments from the bars and restaurants in town.

Each bedroom has its own individual style, and each is also furnished with its own TV so you can grab a few quiet moments away from your party should you need them.

Or, for some real R 'n' R, book yourself a massage or while away an hour or two in the sauna or stunning Jacuzzi, complete with its own lounge area and bar.
