

Chalet Muztagh

Courchevel 1850, France

What we love...

We love the way that Chalet Muztagh combines the seclusion of an ultra chic chalet with the all-encompassing service of a boutique hotel. You really couldn't feel any more pampered, and you can ski right up to the door too. What more could you ask for?

'Ski in, ski out': four of the most appealing words when it comes to luxury ski chalets. Chalet Muztagh is perfectly positioned to slip out onto the slopes of Courchevel 1850 and is a haven of lavish elegance.

The largest of several independent chalets managed by the exclusive Le K2 Palace hotel, Chalet Muztagh is a private retreat with its own staff, plus all the facilities of a boutique hotel nearby. You can bask in the 635msq of secluded luxury, attended by your butler and private chef, then pop over to the K2 Hotel bar or spa for a little social interaction.

You really feel on top of the world here, surveying the mountain views from the wraparound balcony, and relaxing in the beautiful pool and spa area. Evenings at Chalet Muztagh are always entertaining, whether it's pretending to be Elton John at the baby grand piano, or gathering in the cinema room for a popcorn and Champagne film night.

Whatever you need, just ask. Your dedicated team of chalet staff

are on hand to arrange anything from in-chalet boot fittings to making your restaurant bookings. Many extra services can also be provided by staff at the K2 hotel, from chauffeuring you around town to providing childcare or beauty treatments.

At the end of a hard day of indulgence, just take the elevator up to the top floor of Chalet Muztagh where you can wallow in glorious comfort and inspirational views. All the bedrooms are generously proportioned and decorated in variations on the same classy, monochrome theme you see throughout the chalet.

With two separate lounge areas, a private bar and a poolside chill-out zone, there is always room to for guests to spread out. Somehow though, everyone always gravitates towards the elegant dining table when they smell the delicious aroma of dinner. Be warned however: you are likely to feel so utterly spoiled at Chalet Muztagh that nothing else will ever quite match up.

Eating

Gastronomic delights from morning to night – that’s what you get at Chalet Muztagh. Your very own experienced chef is dedicated solely to your pleasure, whipping up fabulous meals and tasty snacks throughout the day.

Breakfasts are cooked to order and you have the option of either lunch or dinner at the chalet (usually three courses but can be adapted to add more at additional cost). If there are non-skiers and young children in your party, the lunch option might be a winner, leaving you free to explore the restaurants of Courchevel 1850 in the evenings.

When you return to your luxury ski chalet after a day on the slopes, a spread of irresistible treats is laid on at tea time every day by your attentive butler.

Should you have any special requirements, your chef will discuss these with you to ensure that everything is exactly the way you desire. Don’t forget that as well as a personal chef, you have the excellent restaurants of the K2 Hotel and the whole of Courchevel 1850 on hand.

Please note that alcoholic beverages will be charged for separately.
