

Chalet N Lech, Austria

What we love...

We love the splendid extravagance of Chalet N, where every guest is treated like royalty. It's a world-class luxury super chalet in a perfect stand-alone mountain setting.

Sitting proudly above the sophisticated Austrian resort of Lech, this super luxury ski chalet aims to outshine all others. With a large team of dedicated staff and more opulent surroundings than the finest hotel, it really is in a league of its own.

The magic starts when you are met at the airport and whisked directly to your snow palace by a private chauffeur. As you make yourself at home in the Swarovski decadence of Chalet N, the indulgence begins and the champagne starts to flow.

Everyone in your party can find their niche within the vast Chalet N, reclining on feather beds, relaxing in the Finnish sauna or quaffing a Cognac at the ice bar, under the stars. Join your family and friends in one of the many gorgeous seating areas, by a roaring fire, to plan your adventures. Relax and take in the stunning views as your complimentary ski pass is delivered, and your requirements for ski guiding and spa treatments are noted.

With butlers, housekeepers, therapists and chauffeurs in attendance, a stay at Chalet N is an extravagant affair. There is even a hair salon to keep you looking your best. And, as you would expect, access to the well-groomed pistes of the Arlberg ski area is very easy. Just slip into your designer ski gear and heated boots in the ski room and take the elevator directly up to the piste. Then later you can ski straight back to the door.

Within the solid stone walls of this chic retreat you'll also find a full sized private bar, a stylish cinema room and a wine cellar which doubles as a charismatic dining space. Whatever other ski chalets do, Chalet N does it better. In the spa you'll find a Swarovski crystal shower curtain, at dinner you'll handle Titanium cutlery, at the windows you'll see bullet-proof glass. No wonder the owners give it six stars.

There are no limits to what you consume, as all food and drink is included, and the kitchen is at your command throughout your stay.

If members of your party want to eat at different times, in different parts of the chalet, it's no problem. If you would like to ski home for lunch, perhaps to dine out on the terrace in the sunshine, or have a snack beside the pool, there's no fuss. With two butlers at your service and a variety of delightful dining areas indoors and out, everyone in your party will feel like royalty.

A superb collection of fine wines and spirits is kept at the chalet, as well as fine cigars, and the beautiful wine cellar is well worth a lingering visit. Whatever you fancy to drink, whether it is an unusual cocktail, a refreshing fruit juice or your favourite beer, all you have to do is ask your butler.
