

Chaletneuf du Tenne Châtel, France

What we love...

We love the jaw-dropping views across the valley from Chaletneuf du Tenne – the highest chalet in Châtel, and children will love the secret kids sleeping dens – perfect for escaping from the adults and watching a DVD.

Chaletneuf du Tenne is just above the beautiful mountain village of Châtel with truly spectacular views across the valley. It is the highest and finest luxury ski chalet in the resort.

It combines a traditional mountain style with modern design to create a truly unique and luxurious chalet. Features such as the indoor swimming pool, large bedroom suites, and separate TV room mean there is plenty of space for you and your family or friends to relax and enjoy your alpine experience.

The living areas have a perfect balance of sophistication and relaxation with double fronted open fire, comfy sofas for everyone,

antique furniture and surround sound music system. But perhaps the highlight of the chalet is the amazing views over the Abondance valley and Mont du Grange nature reserve.

Every detail of your holiday is thought through from beginning to end and guests at Chaletneuf du Tenne will enjoy attentive and personal service from the experienced team of staff. Chaletneuf du Tenne offers superb cuisine with carefully chosen accompanying wines, a concierge service, daily housekeeping and a chauffeur service to shuttle guests to and from the slopes and the village centre.
