

Chalet Opale

Tignes Le Lac, France

What we love...

We love the spectacular view of the mountains through the floor to ceiling windows. Breath-taking.

An exclusive location requires a luxurious interior in our opinion, and Chalet Opale ticks both boxes perfectly. Situated in one of the most exclusive areas of Tignes, and tantalisingly close to the slopes, this luxury ski chalet is beautiful both inside and out. Clean lines and only the highest quality fixtures and fittings add to the appeal of this property. Wood floors, floor-to-ceiling windows and a simple, neutral palette are brought to life with stunning wildlife photography and some fabulous pieces of sculpture.

In the living area, a huge L-shaped sofa faces the roaring fire, TV and also the wonderful view, so you're never missing out on a thing! A large dining area makes this a lovely spot for entertaining.

In the bedrooms, sumptuous furry throws, cosy cushions and fluffy robes and slippers makes it impossible not to relax.

And if you're in need of any further relaxation, simply pop down to the outdoor hot tub with a glass of champers and let your worries disappear with the bubbles.

Eating

Food is a top priority at Chalet Opale. Your private chef is on hand to rustle up delicious breakfasts and afternoon tea daily and gourmet evening meals on six days a week.

When you arrive back at your luxury ski chalet each day from the slopes, there will be a selection of delightful cakes and pastries ready and waiting for you, just the thing to warm up.

When it comes to the evening you'll be served with canapés and your favourite aperitif to whet your appetite whilst your chef prepares a wonderful dinner including a cheese board, which is completed by carefully selected house wines. Should you have younger guests in the group, your chef will be happy to prepare early children's suppers on request, so that the adults can dine in peace.

There's also an open bar so that you'll never be short of a drink or two, why not take a drink out to the balcony and admire the beautiful mountain view?
