

## Chalet Ormello

Courchevel 1850, France

### What we love...

We love coming home to a soothing massage and refreshing swim in the private wellness area of this luxury ski chalet, whilst the butler and the chef respond to our every whim. We also love the fun-packed children's playroom.

It's a struggle finding words to describe the sheer opulence of Chalet Ormello, but we will give it a try. Managed by the five star Les Airelles hotel, this freestanding luxury ski chalet is a self-contained universe of luxury and sophistication, set in the most exclusive corner of Courchevel 1850.

Take a deep breath of the rarified atmosphere of Chalet Ormello as you sink into the deep-cushioned sofa in front of the huge fireplace. From the butler serving your champagne to the security manager keeping you safe, the service is second to none. Perhaps it's a gathering of friends, or perhaps it's a group of several different families you've assembled. One thing is certain – this will be an unforgettable experience.

Tread carefully on the beautiful Persian rugs, and the classical works of art; run your fingers along the weathered wood panels and plush upholstery. The stately home atmosphere of Chalet Ormello is

intoxicating. And best of all is the location – just a few steps from the Bellecote piste, yet close to the heart of Courchevel 1850. Whether you ski to the door, or make use of your private chauffeur, getting around is a cinch.

Within the 1,000 square metres of Chalet Ormello you will find every luxury imaginable. From the wellness area with its state of the art gym and counter-current pool, to the shadowy opulence of the cinema room and private bar. And in the unlikely event that you tire of your surroundings, all the facilities of the nearby Les Airelles hotel are also at your disposal. Here you can dine in the Michelin starred restaurant, take a spin on the private ice rink and book pampering treatments at the hotel spa.

It's not just a playground for adults though, because Chalet Ormello has a fantastic children's playroom, packed with toys and games for kids of all ages. Just make sure that you savour every moment here, because it will come to an end all too soon.
