

Chalet Panmah Courchevel 1850, France

What we love...

We love the ski-in/ski-out convenience of Chalet Panmah, combined with the five star service. And of course who wouldn't love that fabulous swimming pool is a winner.

Sophisticated, technically savvy and gorgeous. Does that sound like you? In that case, you will have a lot in common with Chalet Panmah. This contemporary luxury ski chalet has everything you could wish for plus a piste-side ski-in/ski-out location within glamorous Courchevel 1850.

Chalet Panmah packs a lot of good stuff into its 500sqm of space. The four levels are linked by an elevator and everything is ultra modern and tastefully designed. When you arrive, greeted by your butler and a welcome glass of Champagne, the first thing you see is the open plan living area. Take in the magnificent views over the Vanoise valley as you relax in one of several lounge areas.

Whatever you need, just speak to your team of staff. Your private chef can tailor meals to suit your tastes, and your butler can arrange anything from ski boot fittings to restaurant bookings. The level of service goes way beyond most luxury ski chalets though. Not only do you have your own dedicated

team, but you also have the staff of the five star Le K2 hotel to look after you. Chalet Panmah is managed by the Le K2 Palace hotel, and you have access to everything from shuttle services to childcare.

After an invigorating day on the slopes, ski straight to the door of the ski room and save your weary legs by taking the lift up to the teatime treats laid out in the dining area. Later, you might splash around in the private swimming pool with its waterfall feature and jet stream whilst the chef prepares a sumptuous dinner. After that, you might watch a movie on the home cinema system.

Perfect for families or groups of friends, Chalet Panmah has a private bar and a choice of lounge areas – including one beside the swimming pool – so there's always somewhere to hide away with a good book. With its high ceilings, huge windows and wraparound terraces, this is relaxation on a grand scale.
