

Chalet Pelerin Sainte Foy, France

What we love...

We love the wonderful experiences on offer here. As well as world-class skiing and luxury pampering, you can enjoy gourmet tastings, snowshoeing, Nordic skiing, ice-skating and pretty much anything else your heart desires.

Are you 'experienced'? You certainly will be after a stay at Chalet Pelerin. So much more than a high-end ski holiday, a visit to this luxury ski chalet in Sainte Foy is just a little bit out of the ordinary.

Obviously, the chalet is designed and executed to a very high standard (well, of course!) with sumptuous linens and faux fur throws in the cosy bedrooms, magnificent stone fireplace in the living area, well kitted out media room and fabulously appointed kitchen and en-suite bathrooms.

And it goes without saying that the relaxing spa, with its indoor pool and sauna, as well as the outdoor hot tub, will soothe both body and mind, making your stay here a real pampering experience. We would expect nothing less!

But sometimes it's the things you can't put a price on that make the most difference. Experience over expense, if you will. And experience is what it's all about at this luxury ski chalet..

What Chalet Pelerin's staff really excel at is creating bespoke adventures just for you. They'll tailor them to your party's ages, abilities and interests, so you could find yourself heli-skiing over the border in Italy, exploring the extensive pistes of Espace Killy, mountain biking and fishing on an outward-bound trip or indulging in a spot of cheese-tasting. And of course, your guides will be happy to show you all the top secret spots for finding the best powder and the best apres-ski, too.

Come and join in!

The menus are generally inspired by the local area, but can be completely customised to suit your every culinary whim.

Each morning, a breakfast 'spread' is laid out for you to choose from and there's a different 'speciality' each day, too, just to ring the changes.

Guests of the chalet usually take lunch slopeside, where there are a plethora of lovely eating spots. Chalet Pelerin even has its own private outpost known as L'Alpage which is the perfect setting for fondue.

Your evening meal is whatever you want it to be – let your chef know your preferences, or sit back and be wowed by some of the best French cuisine you'll ever taste.

Chalet Pelerin is kept stocked with a fabulous selection of house beers, wines and spirits. There is also a reserve selection of fine wines and spirits you can choose from a la carte, and if there are any bottles you particularly like, just let them know before you arrive and it can be arranged.
