

## Chalet Perce Neige Courchevel 1850, France

### What we love...

We love the wonderful spa, from the infinity-edge swimming pool, outdoor hot tub, Jacuzzi and hammam.

'Perce neige' translates as 'snowdrop', a fitting moniker for this luxury ski chalet in Courchevel 1850 - simple in its natural beauty and a welcome sight, standing surrounded by snow.

The communal living space, with its clean lines and comfortable, modern furniture, has a laid-back, relaxed feel, making it the perfect spot to gather with friends around the fire. Or you can help yourself to a drink from the private bar and wander out onto the terraces to enjoy the fabulous snowy scenes around you.

The magical dining room, with its amazing chandelier light fitting and stylish furniture has the cosy atmosphere of a gentleman's club and is the ideal backdrop for the exquisite meals you'll enjoy here, all cooked by your own private chef.

Everything has been thought through carefully to help make your stay completely stress free. With

access to the slopes via a treelined track you can ski right to the Cospillot piste and a well-equipped ski room means you can be ready in moments.

This luxury chalet has its own home cinema, where your party can enjoy a movie night together. There's also a private spa in the building, with a Hammam, Jacuzzi and infinity-edge swimming pool. Masseurs and therapists can be arranged so you can enjoy additional pampering without setting foot outside the door.

With everything on site you could need, Chalet Perce Neige offers the perfect combination of action and relaxation for those searching for a truly luxury ski experience.
