

## Chalet Razzie

Courchevel 1850, France

### What we love...

We love the sophisticated, high end vibe of Chalet Razzie where you can take luxury lifestyle for granted. Kids and the young-at-heart will appreciate the dedicated games room with both table tennis and snooker on offer.

Let the glow from the open wood fire melt away the chill in your toes as you sit back and absorb the spellbinding alpine views from Chalet Razzie. Perched high up in the exclusive resort of Courchevel 1850, close to the slopes and basking in the sun, this is a delightfully stylish luxury ski chalet.

A team of staff are on hand to ensure that everything is perfect in your private home-from-home at Chalet Razzie. From topping up your champagne glass to preparing a delicious dinner and arranging your lift passes and ski hire – nothing is too much trouble.

Just let your chauffeur transport you in your personal minibus, allow the private chef to titillate your taste buds and enjoy yourself as the housekeeper tidies up when you go out. The standard of service at Chalet Razzie is impeccable.

Lift passes, ski hire, ski lessons, restaurant bookings - all can be

organised without you having to get up from the warm comfort of the sofa. And the concierge service can take care of any request, whether it's to arrange helicopter flights or provide a nanny to babysit your children.

Large windows and wide balconies let the sparkling mountain light flood into the chalet, and a generous south-facing terrace is the perfect place to enjoy a drink at the end of a challenging day on the slopes. Sore muscles are soothed with a spell in the Jacuzzi, or a session in the hammam or sauna. Wear whatever you like, and take a glass of bubbly with you – you're at home.

After a delicious evening meal in these gorgeous surroundings, everyone feels relaxed and contented. Perhaps later you might watch a film on the large TV, or head downstairs to the games area for a game of pool.

## Eating

With an experienced chef at your command every day, the possibilities are almost endless. Cost of food and drinks are charged for separately at cost, so you just pay for what you eat. It's an à la carte service and the meals at Chalet Razzie fit in with your routine, rather than the other way around.

Breakfasts can be light and healthy or a calorific feast, to give you the energy you need. Delicious teatime cakes and snacks can be ready for your return from the slopes, and dinners can be as simple or sophisticated as you desire.

The bespoke service means that no two days have to be alike, you can opt to dine out at a local restaurant, or ask the chef for tasty lunchbox treats to take out on the slopes. Just let your chef know in advance. The same applies to drinks at Chalet Razzie. There is an impressive wine list to choose from, but if you would like something special, perhaps a particular champagne or your favourite aperitif, just say the word.

### Kids

With a chauffeur on hand to transport you around town, for skiing or family outings, many of the logistical problems of travelling with children just melt away at Chalet Razzie. And, if babies and toddlers need some in-chalet childcare to allow mum and dad some precious ski time, you only have to ask and childcare can be arranged.

Back at the chalet, the kids are likely to disappear into the games area with a pool table for hours on end. You just need to make sure they get up in time for their ski lessons!

One of the bedrooms also has a bunk bed to sleep two children, making it ideal as a family suite.
