

## Chalet Rosalp 3 Verbier, Switzerland

### What we love...

We love the outdoor dining area on the terrace, a beautiful spot to enjoy a nightcap or an energising breakfast with a view.

Cosy and comfy, welcoming and warm, this luxury apartment in Verbier is a fine place to base yourself for a week enjoying all this top-class resort has to offer.

Chalet Rosalp 3 is a self-catered property that offers just a little bit more than most, with great facilities and services, including a well-equipped kitchen and a 24-hour driver service so you can be whisked into town and the lifts whenever you choose.

Rough-hewn woods and a neutral colour palette make the interior of the chalet a calming, relaxing place to unwind with friends. The open-plan sitting room and kitchen have large picture windows framing lovely views of the alpine garden in front of the terrace and the mountains in the background. The bedrooms,

each with luxury en-suite, are strewn with snuggly throws and faux fur cushions to make each one a snowy retreat. Children will be enchanted by the dedicated bunk room, with chunky wood bunks – their very own winter wonderland.

If, after a few hours on Verbier's famous runs, you feel in need of a bit of pampering, experienced therapists are available for massages, facials, manicures and other treatments in the comfort of your chalet, too.

In fact, all the little details are taken care of here, from games and consoles to keep children amused to Apple TV to boot warmers in the shared ski room, all designed to ensure you need do nothing here except relax and enjoy the beautiful surroundings and fabulous location of this lovely apartment.
