

Chalet S Courchevel 1550, France

What we love...

We love the private Jacuzzi – ideal for a relaxing dip in the afternoons.

As contemporary and cool as it is welcoming and warm, Chalet S is a little different to your typical luxury ski chalet.

Striking and modern pieces of furniture sit comfortably in the traditional wood building and eclectic pieces of décor give the property a real sense of character and fun, with just a sprinkling of party atmosphere about it.

The spacious communal areas, such as the open-plan living space with floor-to-ceiling windows looking out on the mountains ensure there

is plenty of room for everyone to relax together after the day's skiing is done. And if the kids (or the big kids!) want to escape for a while the games room, home cinema and fitness suite offer plenty of scope for that too. There's even a Jacuzzi where you can ease slopes-weary legs, while enjoying a glass of something bubbly from the bar.

Each night as you retire to one of the cosy wood-clad bedrooms and sink into soft sheets, you'll be assured of a good night's rest ready for another packed day in the morning.

Alternatively, if you prefer to cook for yourselves, there is a well-equipped kitchen which keen cooks will love.

Alternatively the restaurants and bars of Courchevel 1550 are just a few steps away.
