

Chalet Sirocco

Verbier, Switzerland

What we love...

The spa here, complete with indoor pool, is amazing – five-star-hotel quality but totally private.

The ultimate in Alpine luxury, Chalet Sirocco has everything you could possibly ask for. This stunning property is perched high up in the mountains above Verbier with stunning views of the slopes and valley below.

Generous living spaces make this the perfect property for a group holiday. An open-plan living and dining room (seating ten at the table) has floor-to-ceiling French windows. Sit inside by the roaring fire or collapse with a drink in one of the fur-lined chairs on the south-facing terrace to watch the sun go down and the lights twinkle on in Verbier.

The four bedrooms are split evenly over two floors, creating an ideal set-up for two families of four. Each of the bedrooms is a study in luxury with stacks of fur throws and cushions, uber-comfy beds and

sumptuous soft furnishings in classic whites and neutrals.

Down on the ground floor is the entertainment zone, in which you could happily spend a week without leaving the chalet. The impressive cinema room is great for group movie nights, or just as a space for the kids to relax while the adults enjoy drinks and canapés and catch up after a day on the slopes. This floor is home to a fabulous spa with hammam, sauna, indoor pool, Jacuzzi and massage room, as well as small kitchen/bar so you don't have to step far to fix yourself a drink. The chalet's own wine cave is also housed on this level.

Simply elegant and designed with luxury in mind, this might be the perfect base from which to get to know vibrant Verbier.

You'll be greeted on arrival with a champagne reception to start your luxury ski holiday off the right way.

A hot breakfast is served on six mornings to set you up for a day on the slopes. There's also a lighter option of continental breakfast, which will be laid out on staff day off.

When you return from your morning's skiing, you'll find afternoon tea all laid out for you, consisting of sweet and savoury homebaked treats and lashings of tea and coffee.

In the evenings, gather with your party for canapés and bubbly, then sit down to a delicious four course meal, including a locally inspired cheeseboard. A choice of complimentary house wines will be served with meals. There is also beer and a drinks tray with three bottles of house spirits available to take your pick from. If you have any special requests such as a favourite tipple, we can have it stocked, at an additional cost.

Your chef will contact you prior to your arrival to discuss any dietary requirements and requests and will also be happy to prepare an earlier tea for children at a time to suit them.
