

Chalet St Christophe Courchevel 1850, France

What we love...

We love how cosy Chalet St. Christophe is from its roaring log fire to rustic wood interiors and fur throws.

Drape yourself in the opulence of Chalet St Christophe, as you would a mink fur coat or a delicate cashmere scarf. Fine service and plenty of extras are laid on at this luxurious mountain retreat, nestling in an exclusive corner of Courchevel 1850.

Attended by highly trained chalet staff, your every wish is fulfilled. The chef works to create mouth-watering dishes, even creating special meals for the children. The chauffeur is waiting to take you out and about, or to drop off the kids at their ski lesson. Just breeze in and out, leaving the staff to tidy up after you, as you would in an exclusive hotel. The big difference is that Chalet St Christophe is a private residence where everything is arranged just for you.

At the end of the day, your private chauffeur can whisk you home in style, so you don't have to trudge

through the icy streets. Take the elevator up and down the four floors of this luxury ski chalet and revive yourself in the spa area where the sauna and swimming pool await. A range of different massages can easily be arranged in the massage room, so there's no excuse for feeling jaded.

If you think the spa area is attractive, just wait until you see the sun deck. Unlike most run-of-the-mill private terraces, this one has a fully stocked bar, patio heaters and comfy sun loungers. Just ask your host to serve evening champagne and canapés out here as the last rays of sun disappear over the mountains. Perfect.

One thing is for sure, at Chalet St Christophe every guest is bound to feel utterly spoilt. Even the car is treated like a VIP as it sits on the heated driveway.

Eating

Bespoke service is what you get at Chalet St Christophe. Your talented chef will work together with you to ensure that every meal is a treat to look forward to.

Every day begins with your favourite a la carte breakfast treats. Skiing is a high energy sport, so by the time you get back to the chalet in the afternoon you will need a snack to keep you going through until dinner. Afternoon cakes, mulled wine, tea and coffee await your return, and if you have children in your group, the chef will be happy to cook them an early supper of their favourite foods.

On five evenings, your dedicated chef will serve up a wonderful feast, starting with canapés and champagne, followed by four courses of culinary delights. You'll have two evenings a week to sample the local restaurants and your chalet hosts will be more than happy to make recommendations and bookings.

A selection of fine wines will accompany these mouth-watering meals and there is an open bar stocked with beers, spirits and soft drinks.

Alternatively, Chalet St Christophe can also be offered on a bed & breakfast basis if you prefer.
