

Chalet Timeless

Courchevel 1850, France

What we love...

We love having the wonderful facilities of the Le Strato Hotel right on your doorstep, but all the privacy of your own chalet too.

Elegant, sophisticated and, well, timeless. Chalet Timeless is a luxury ski chalet in Courchevel 1850 that is the ideal base for a family of four or two couples to explore the area.

Coming under the umbrella of the luxury Le Strato Hotel, linked to the chalet by a covered walkway, the property benefits from access direct access onto the Cospillot slope as well as use of the hotel's fabulous facilities: a wonderful spa with saunas, a Hammam, Jacuzzi and a huge indoor swimming pool.

But if you prefer the privacy of your chalet, room service can be ordered 24 hours a day – and we wouldn't blame you. Chalet Timeless really is the ultimate snowy bolthole. Small but perfectly formed, the chalet comprises an incredibly cosy and welcoming living room, with a sink-

into sofa and capacious armchairs, all in sophisticated shades of grey and neutrals.

There's also an intimate dining area so you can eat in the quiet of your chalet if you prefer that to visiting the hotel restaurant. The rooms are adorned with art pieces both contemporary and traditional, continuing the chalet's theme of timeless beauty.

The two bedroom suites offer maximum comfort and relaxation with super-soft linens on queen-size beds, stunning spa-style en-suites and plenty of luxury bath products and stacks of fluffy robes and towels. Each room has its own TV and a balcony or terrace so you can pop out for a nightcap under the stars – a classically timeless way to end any perfect day.
