

Chalet Toundra Verbier, Switzerland

What we love...

We love the spacious balcony with outdoor sofa and hammock, where you can enjoy the breathtaking views of the mountain ranges and the resort below.

Alpine style was never cosier than in this delightful self-catered mountain retreat. The chalet's elevated position provides stunning views of the Petit and Grand Combin mountain ranges, as well as the twinkling lights of Verbier below.

Wood cladding and slubby tweed and faux-fur cushions on the comfy sofas and soft leather armchairs make the living area a really cosy place to relax with friends. Draw your chair a little closer to the roaring fire in the evenings and sit back and catch up on the day's events over your favourite tippie.

After enjoying some of the best skiing in the world, and some of the best food in Verbier, you'll be pleased to fall into bed each night. All of the bedrooms are decked out in Alpine style and are super-cosy, too.

And when you wake in the morning, make sure you're first out on the balcony to grab the best spot on the outdoor sofa with your coffee and breathe in that mountain air. There's no finer way to greet the day.

Please note that the stairs have a low beam.
