What we love...

We love the penthouse living with a mix of vintage pine and contemporary cool, plus of course the private hot tub on the south-facing balcony.

Sitting in the heart of Verbier, Chalet Treize Etoiles is accessed by a private lift that delivers you straight into the heart of its open plan double height living area. Eating

Everyone knows that food and drink on a ski holiday is nearly as important as the snow, so take heart in the menu of feasts and treats available at Chalet Treize Etoiles.

In the mornings choose from a cooked and continental breakfast of fresh bread, croissants, fruit and cereals accompanied by espresso coffee and freshly squeezed orange juice to set you up in the morning, to homemade cookies and cakes when you return from the slopes, you'll be well sated before you've even sat down for dinner.

Your private chef will be working for you five of the seven days and will prepare a menu to entertain and enthrall you, starting with drinks & canapés served by the roaring fire, moving on to four courses at the candlelit table.

All this can be washed down with a selection of complimentary house wines, spirits, Champagne or beer.

Alternatively, this chalet can also be offered on a self-catered basis if you prefer.
