

Chalet Trois Ours Meribel, France

What we love...

We love the outdoor hot tub, which looks straight out onto the piste. Don't forget your wine!

'Trois Ours', meaning 'Three Bears' in French couldn't be a more apt name for this beautiful chalet with fairytale qualities.

The living spaces exude calm and sophistication, with elegant furniture and lovely wood panelling. You and your fellow guests are bound to be up late, chatting in the stunning living area – it's so hard to drag yourself away from those comfy sofas and roaring fire.

The en-suite bedrooms are simple and relaxing, decorated in neutral tones to make them the perfect place for a great night's sleep.

The property also boasts its own outdoor hot tub with fabulous

views as well as fitness area and a steam room with its own shower area. There's even a treatment room where you can book yourself a massage, facial, manicure or pedicure. For quiet chalet evenings, you'll love the cinema room which has its own DVD library for you to choose from with huge comfy seats.

Located right on the Doron piste, you couldn't be better placed. Not a moment of your luxury ski holiday is wasted as you'll be skiing the second you step out of the door in your warm boots, fresh from the heated boot room.

Totally fabulous in every way, we don't think even fussy Goldilocks could find fault with Trois Ours.
