

## Chalet Vieux Bisse

Crans Montana, Switzerland

### What we love...

We love relaxing in the Jacuzzi after a morning on the slopes.

This stylish and sophisticated luxury ski chalet in Crans Montana is all things to all people. Generously sized and thoughtfully designed, there's something for everyone at Chalet Vieux Bisse and space for your whole party to 'do their own thing together'.

The chalet, with its spa, as well as entertainment zone and open-plan communal areas, means you can relax in the Jacuzzi or spread out on the L-shaped sofa with the papers while the kids amuse themselves on the Nintendo.

After a delicious continental breakfast which is delivered to your door, you can be on the slopes in seconds from this ski-in/ski-out

chalet and a dedicated ski room makes getting kit on and off really simple.

On your return, enjoy a cup of tea in the stunning living room. Decorated in neutral tones using natural materials, the space has a real sense of calm about it – not diminished by the sublime mountain view from the windows.

Spend your afternoon relaxing or down in the spa before re-joining your party for pre-dinner drinks. Take a glass or three of fine wine out onto the terrace to make the most of that amazing view or gather round the open fire and watch as a private chef turns top-quality local ingredients into something fabulous for you.
