

Chalet White Dream Courchevel 1850, France

What we love...

Being so close to both slopes and town, yet having everything you could wish for right in the privacy of your luxury ski chalet.

Feel like royalty in your own magical ice palace. Chalet White Dream is a luxury ski chalet with a style all its own.

In shades of whites and subtle silvery greys, this property's interior decor positively sparkles. Clean, simple furnishings and white faux furs reflect the snowglobe-perfect views from the windows and terraces - the pine-studded slopes seen from the chalet are simply stunning.

Expertly designed communal areas make this a wonderful property to share with friends. You'll enjoy fabulous food together in the cosy dining space and there's plenty of room for everyone to kick back and relax on the oversized sofas after a day on the slopes.

For those looking for a little pampering while here, there is

a private spa in the chalet itself, complete with swimming pool, Hammam, Jacuzzi and massage room (masseurs and beauty therapists can be arranged on request). And if you've not had enough exercise on the thrilling slopes of Courchevel 1850, there's even a fitness room, too. All the en-suite bedrooms, decorated in those calming whites again, come complete with fluffy bathrobes and comfy slippers - total relaxation is mandatory at Chalet White Dream.

The lower ground floor boasts a bar and home cinema system so everything you could want is right there on site. And yet, this luxury ski chalet is obscenely well-located - just moments from the slopes, a brief walk to the centre of town and in one of the most exclusive areas of glamorous Courchevel 1850.
